In the heart of every twist, every knot, lies a story of strength, faith, and the power of transformation. I am a wife to a Retired soldier, a mother of two incredible teenage girls, a former public school Behavioral Specialist and teacher, Texas Army National Guard Veteran, a licensed esthetician, a locking practitioner, and a devoted Sisterlock™ consultant.

My journey is woven with threads of dedication, perseverance, and a deep reverence for the Divine. Locking my hair wasn't just a choice, it was a revelation. It gifted me back precious moments that I now pour into my family, friends, and the beautiful tapestry of my life.

Fun Facts about Rika:

-  She loves reading & carrying out the Word.
-  She loves working out & shooting basketball.
-  She loves to write poetry.

Through my locks, I've discovered a sanctuary of time - time to nurture, time to love, time to inspire. Each twist is a testament to the resilience within us all. I believe in the power of transformation and the beauty in embracing one's true self.

At Naturally Loc'd, we don't just create locks; we craft stories. We understand the significance of this journey, and we're here to walk it with you. Let us be a part of your unique narrative, a companion in your path of self-discovery. Together, let's embark on a journey of celebrating our beautiful hair.
